CUSTOM BOTTLE HOUSE

BY

VOIK

"Quality Products, Endless Possibilities"

ABOUT US

Custom Bottle House by **VOIK India** is a leading stainless steel bottle manufacturer offering **complete in-house solutions**—from design and development to printing and customization. We specialize in **private label, white label, and OEM** manufacturing for top brands across India. Our products include water bottles, flasks, kids bottles, sippers, shakers, food jars, and mugs in both insulated and non-insulated options. Made using **304 food-grade stainless steel**, all products are **BPA-free, ISI-marked, FDA-approved,** and proudly Made in India. With over 100 color and finish options, we help brands create **eco-friendly, high-quality, and customized products**.

"YOUR BRAND. OUR BOTTLE. INFINITE POSSIBILITIES"

SINGLE WALL BOTTLES

Designed for convenience and style, our **Single-Wall Stainless Steel Bottles** are the perfect blend of lightweight durability and everyday function. Made from **high-quality, food-grade stainless steel,** these bottles are ideal for those who value simplicity, sustainability, and smart design.

Available in a wide range of shapes, sizes, and vibrant finishes, they're perfect for office, school, travel, or outdoor use. **Eco-friendly, reusable, and easy to carry** — a smarter choice for daily hydration.
